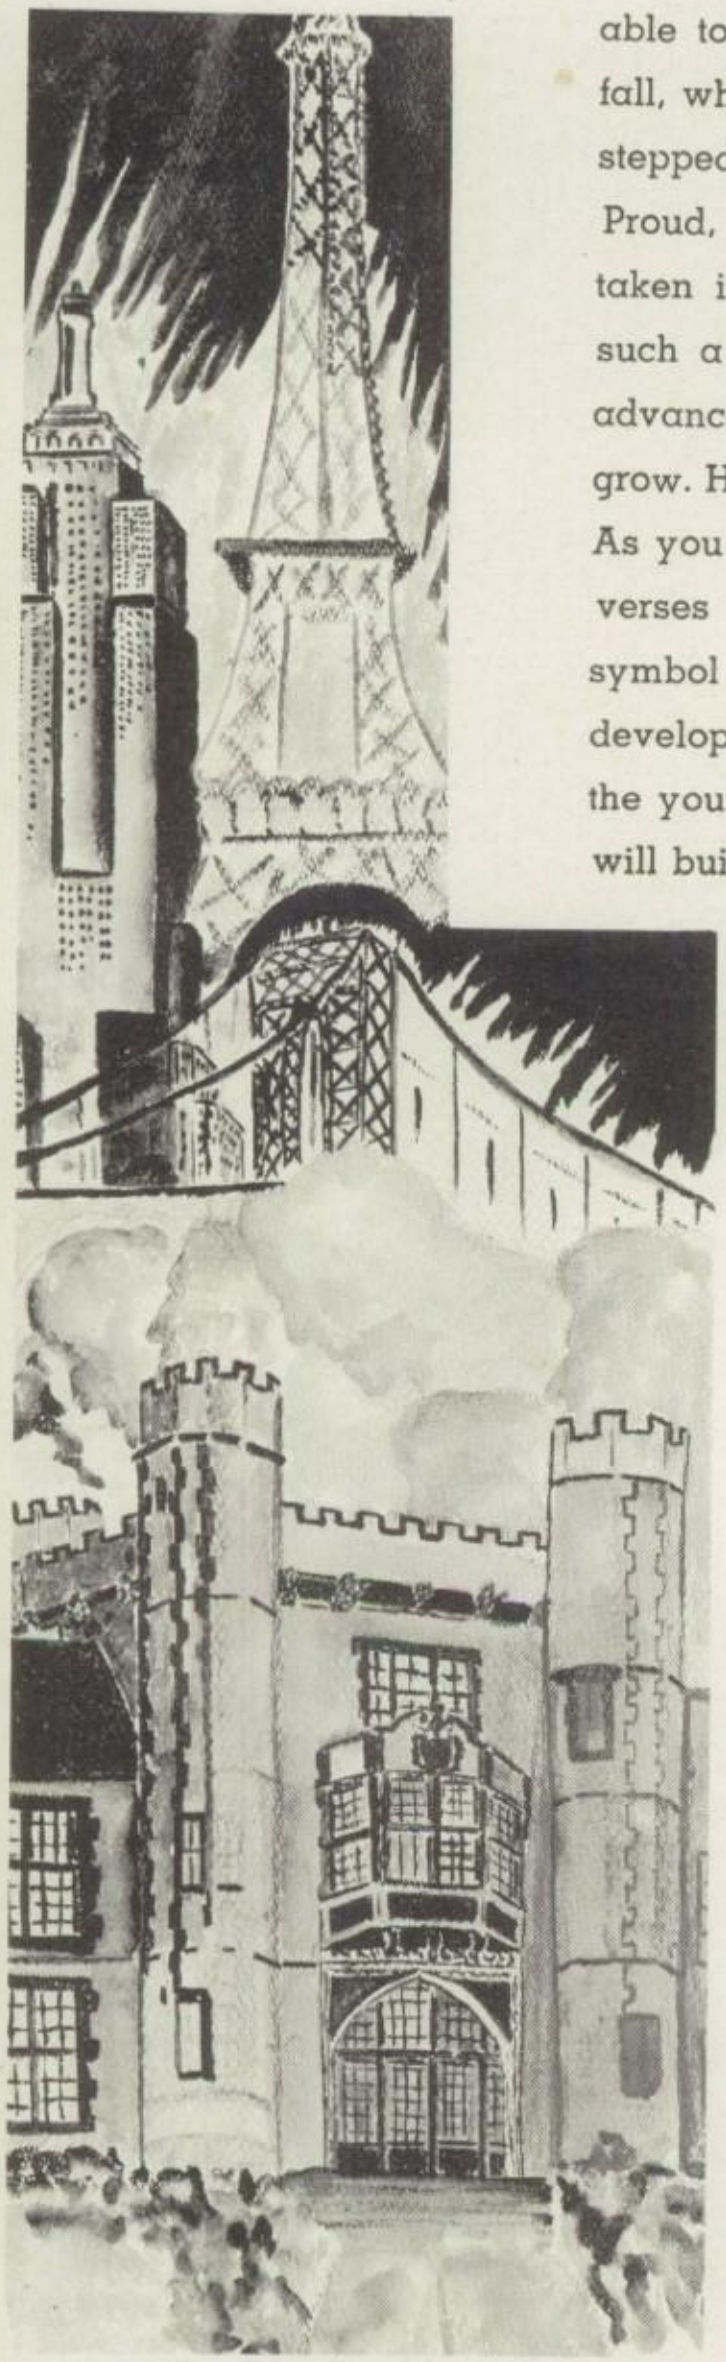
THE SENIOR CLASS
Summit High School
Summit, New Jersey

.1951

And the school grew: in wisdom and stature keeping pace with the growing community.



"And the school grew"—No other words could be more suitable to Summit High School this year than these. For this past fall, when the doors of the school swung open, the student body stepped into an edifice with a million and a half dollar addition. Proud, in deed, are we that the people of our community have taken interest in us and increased our educational facilities to such a great extent. For this reason we have incorporated this advancement into our '51 yearbook, for as our school grows, we grow. Here we are learning, working, and building for our futures. As you go through our yearbook, you will come upon particular verses of the poem below which has been written as a symbol of our growth and the importance of our educational development. For it is only through educational development that the youth of today will grow to be the citizens and leaders that will build he world of tomorrow. Editor.

We grow:
Not quickly,
For growth which is perfect is slow.

We learn;
And think wisely,
And in wisdom and knowledge we'll grow.

We work——
For the future;
For this troubled world that we know.

We are needed
To build
In a world
That is filled
With destruction——
In a world that wants us to grow!

WE DEDICATE

We, the Class of 1951, dedicate this yearbook to the Faculty of Summit High School. We are deeply grateful that the people who have been our teachers for the past four years have so well understood the problems of young people today. They have given not only of their time and professional ability, but have given us a sense of the true values of life. Because of them we go forth into a confused world with some sense of direction.

A school based on books would not be a school; at least it wouldn't be Summit High. Our interest in school life is essential to both the success of the school program and the widening of our own experiences. This realization will play the major part in our job of growing up.

O' sing your songs!!!

As in previous years the Summit High Chorus proved that it is definitely a vital part of school activities. The Chorus, under the able direction of Mr. Daniel Kautzman, was a real credit to our school. All year long strange sounds could be heard emanating from the new music room as the students rehearsed dilligently. On December 22, the third annual alumni carolling get-together wds held, followed by a party at the Y.W.C.A. It was a great success and was thoroughly enjoyed by all. In February the G.O. Show, **Finian's Rainbow,** was presented; and in May the annual Spring Concert was given. The chorus really did a fine job this year. Let's hope that it will continue to do as well in future years.

"Guise and Disguise," Summit High's dramatic club, consists of a group of forty, selected in tryouts held last fall. Its chief production this year was **Incognito**, an exciting spy thriller. It was a huge success for all who saw it or worked in it. The Club took a trip to New York to see a Broadway play and will see another production sometime in the spring. The club works on its activities during meetings held once every other week.

The Student Council is the student governing body that coordinates the work of all clubs, committees, and student organizations. The members of the council are the representatives of the three classes, all the homerooms, all committees, and the officers of the General Organization. Mr. Joseph McClellan is the faculty advisor.

OFFICERS

Jack Hughlett ..... President
George Hand ..... Vice-President
Nancy Handley ..... Secretary
Leo Natale ..... Treasurer

SERVICE PLUS

The Service Committee, an honorary Student Council organization, was selected last spring by class members and a faculty committee. Consisting of sixteen seniors and twelve juniors, the Service Committee ably ushered at all the major events and assemblies. Its faculty adviser is Miss Tilla Thomas.

Bottom row: W. Snyder, D. Snow, K. Giles, D. Spitzli, F. MacNair. Second row: J. Badgely, J. Fogarty, J. DeLuca, R. Berkelhammer, D. Maclay, J. Robertson, Miss Thomas, D. Culbertson. Top row: G. CORRIDOR COMMITTEE

The Girls' and Boys' Corridor Committees furnish the police force of Summit High. Their cries of "don't run," "don't block the halls," and "go through the **other** door" are always heard throughout the building. Advised by Mr. Knipple, these committees keep our school from becoming one huge traffic jam.

Bottom row: S. Little, J. Mitchell, L. Bonn, P. Townley, A. Boise, A. Hunt, P. Pool, N. Yager, N. Poole, L. Ridings. Top row: C. Moss, G. Hudson, P. Carlson, D. Turgeon, Mr. Dampman, T. Luce, J. Sartorious, R. Cassel.

HOUSE and GROUNDS COMMITTEE

"No snowballing," "keep off the grass," and "put that paper in the basket" were the cries of our House and Grounds Committee which, under the supervision of Mr. Harry Dampman, has done S.H.S.'s house cleaning this year.

FOUR-ALARMERS

In order that everyone can be ushered out of the building in case of fire, the Fire Committee, under the direction of Mr. Furth, conducts fire drills. Some of its other duties include checking the equipment, seeing that there are no fire hazards in the building, and making emergency regulation posters for each room. This is the second year that girls have been admitted to the committee. It is divided into six platoons, each of which has a leader, whose duty it is to see that all members are at their posts.

Bottom row: P. Lawler, H. Jones, A. Carlson, M. Wiatroski, A. Drummond, N. Yager, S. Marsh. Second row: J. Barret, J. Schroeder, M. Swick, J. Maurer, R. Engstrom, J. Anderson, J. York, B. York, G. PROGRAM PLANNERS

The Assembly Committee, under the leadership of Bob Young and under the supervision of Mrs. Helen Davis, plans the programs and sees that they run smoothly. Choosing a program that will be satisfactory to everyone is the hardest job of the committee. Because our assemblies are so interesting, varied, and relaxing, they are always welcomed.

Bottom row: C. Lauer, Mrs. Davis, A. Boise, J. Fogarty. Top row: J. Mitchell, J. Maclay, T. Roberts, R. Young, M. Barker, J. Hughlett.

CAFETERIA CREW and COMMITTEE

The cafeteria Crew is composed of volunteer students who are under the supervision of Mrs. Braucli, our cafeteria director. They act in the capacity of waitresses, sandwich counter and ice cream bar attendants, silver-dryers, dish scrapers, floor sweepers, cashiers, and general handymen.

The Cafeteria Advisory Committee was organized this year as a result of the new cafeteria. Its job is to analyze and clear suggestions given for the improvement of the cafeteria. It is the only organization in the school which connects the Junior and Senior High Schools.

First row: P. Betts, K. Caruso, J. Fasold, B. McAndrews, J. Connor, K. Killoran, C. Colangelo. Second row: P. Townley, M. Lockhart, V. Valaderes, D. Gulamerian, P. Hanson, M. Quirk, J. Bannister, M. Editor-in-Chief

The TOP is Summit High School's yearbook. A visiting college representative will glance through the pages of our yearbook and say, "This is S.H.S." A prospective employer will scan its pages and say, "So this is Joe." The TOP is an important mark on our record as growing boys and girls.

To the student, the TOP represents "what I did" in S.H.S. and seems to be the key to those memories which are too easily forgotten.

With this edition, the editors have tried earnestly to capture the spirit which was ours this year: not only the teams and shows and committees—but that never-ending spirit of friendliness and accomplishment that made Summit High School life a pleasure to record.

The Tower

This year, as usual, **The Tower**, official publication of Summit High, kept all the students posted on current school news. Without it, school would be dull indeed! Guided by Mr. Wendell Woodside, the various staffs (editorial, advertising, and circulation) worked together to produce a fine, all-round newspaper.

The International Relations Club met once a month to discuss topics of timely interest. The big events of the year were the group's attendance and participation in the New Jersey International Relations Forum Conferences in January and May, and the Herald Tribune Forum in March. This group was ably advised by Mrs. Marie Brown.

El Farol, the Spanish club, aims to further the oral use of Spanish and to promote interest in the culture of the Spanish-speaking peoples. Spanish III student automatically become members, while members from Spanish II classes are chosen by try-outs. The high lights of this year were an arroz con pollo dinner, a trip to New York, and a "Fiesta Mejicana" assembly program.

PROJECTION CREW

During the course of the school year, the Projection Crew works with Mr. McNeely to present numerous films requested by the faculty. The boys contribute their time to ordering, arranging, and showing films to classes. During our assemblies the crew operates the lights and handles the stagework.

RED CROSS and FIRST AID SQUADS

This year, as usual, the Red Cross Committee sponsored a drive for the collection of money to be given to the Red Cross. The drive was very successfully run under the supervision of Mrs. Schwanhausser.

Senior girls who have received a "B" or higher average in the First Aid Course serve ably in the Medical Room during school hours under the direction of Mrs. Matthews. Their advisor is Miss Grace Jones.

Last fall Summit High booters completed a ten game schedule with three wins and seven losses. However, the kind of soccer played by the team is much better than that indicated by the season's record. For although many games were lost, every opponent was pressed hard till the very last second of play, and only after the final gun went off was the outcome of the game definitely decided.

Five returning lettermen formed the nucleus of the team. These players were Fred Swick, center forward; Mike Haupt, center half back; Ray Guenther, right half; Jerry Sartorius, outside right; and Francis King, outside left. Swick provided the scoring punch for the team. Of the twelve goals scored by the team as a whole he scored six of them. Haupt was a very potent booter, and it was usually his toe that moved the ball deep into enemy territory.

With many first-stringers and first rate substitutes coming back next year Coach Holdenwang can look forward to a winning season. But regardless of the final score, soccer as played by Summit High School will always be worth watching.

BASKETBALL

This year basketball at Summit High School was at its best. Our team had an overall record of 17 wins and 5 losses and was the trophy winner of the Suburban Conference and Northern New Jersey Section 2 Group III.

Leader of the Summit attack was Sonny Dennis. During the regular season of 14 wins and 4 losses, he scored a record-breaking 307 points, bringing his three year varsity total to 713. Also instrumental in the scoring department were Dick Diakos, Joe Kenney, Bill Warren, Pete McHale, and Howie Danks.

Our success in the State Tournament was undoubtedly the highlight of the season. We played the first two games as the underdogs and in both cases came out on top. In the initial contest Springfield Regional was our opponent, and we won by a 52-48 score. Sonny, taking advantage of his ability to drive, took the scoring honors with 25 points. Our second victory was over Linden. The score was 56-47, and Sonny was high scorer again with 15 points. A 57-44 win over Hillside gave us the section trophy and sent us into the semi-final round against Englewood. Teachers and students alike turned out to the Englewood game; however, the boys from Bergen County were hot that night and eliminated Summit to the tune of 67-44.

The regular season was marked by an eleven game winning streak. The string was ended at Millburn when Summit was defeated 58-49. Summit had an undefeated season at home until Regional defeated us in the final week of play.

Although ten of the seventeen members on the varsity are seniors this year, such players as the Grisby brothers, Donald Crann, and Paul McGiffin promise Coach Cornog another fine season in fifty-two.

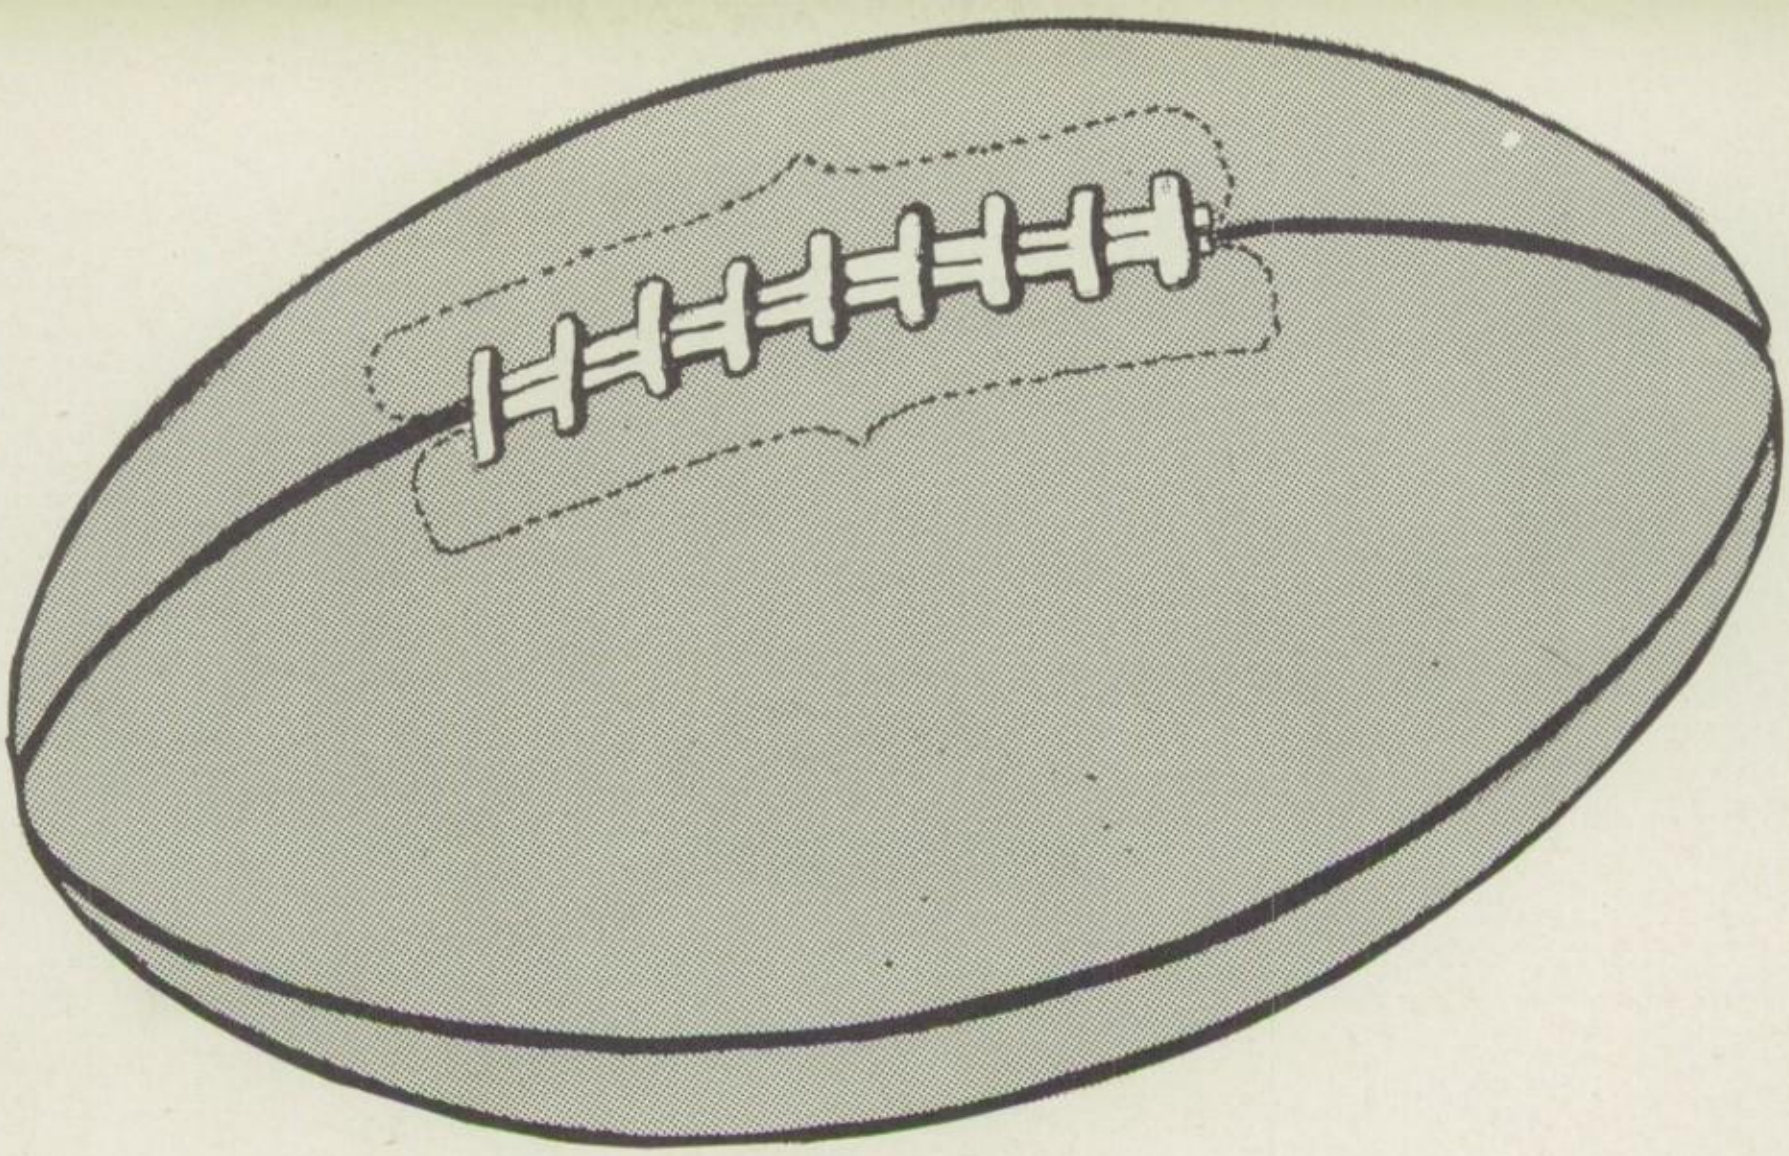
FOOTBALL

But for a loss to Verona early in the season, Summit would have emerged conference champs. As it was, both teams finished the season with a league record of four wins and one loss, but the Hillbillies took the crown because of their win over us.

Outstanding offensive star this year was half back Joe Kenney. Through the course of the season he scored nine touchdowns, passed for four more, and booted three extra points. Second in scoring was Sonny Dennis, who had three touchdowns and one extra point to his credit.

After losing its two opening games, Summit entered the win column with a second half victory over Millburn. A trio of touchdowns by Kenney in the third and fourth quarters broke the scoreless deadlock. Glen Ridge was downed 13-6 for Summit's second win, Bill Joyner scoring the winning touchdown on a line plunge. The most thrilling game was the Hilltoppers 26-18 defeat of Madison. Kenney took the opening kick-off on his own 10 and raced the length of the field for a 90 yard TD. His pass to Vern Grisby late in the first quarter was good for another score. Summit was then pushed from a 13 point



lead into a five point deficit by three Madison touchdowns. However, a Kenney to Sampson pass play reversed the lead, and Joe iced the game, scoring on a lateral from Sonny, who in turn had taken a pass from Sampson. Three long runs marked the Maroon and White victory over Caldwell. Dennis and Kenney each raced 85 yards for touchdowns, with Joe contributing the third TD on a run of 45 yards.

Much of the team's success was dependent upon the excellent coaching of Mr. Kandrat and his competent staff. Credit also goes to Mr. Ashman for his excellent preparations of jayvee players.

TRACK

The backbone of this year's track team was formed by thirty experienced competitors from last year's squad. Five returning letterman and their specialty are Sonny Dennis, captain and miler; George Smith, pole vaulter; Don Maclay, high jumper; Leon Bystrak, discus and javelin thrower; and Joe Grisby, half miler.

Last year's team had a fine season; winning three meets, losing two, and squad was captained by Norman Pott, and the chief point getters were Jack Allen, Dana Low, Ronald Copsey, Sonny Dennis, George Smith, Roger Behre, and Lafayette Grisby.

Two members of last year's team set new school records. Sonny Dennis did the mile in four minutes and forty-three seconds, and Ronald Copsey ran the high hurdles in fifteen and three-tenths seconds.

Bottom row: F. King, J. Daniels, D. Crann, D. Trowbridge. Second row: J. Shilling, B. Hollister, J. Baker, P. Payne, Mr. Mc Nealy, Coach.

With seniors and sophomores dominating the play last year, the tennis team finished the season with a record of five wins and four losses. This is a very creditable accomplishment indeed, after considering that two of the four losses were at the hands of Millburn, perennial tennis champs of the Suburban Conference.

Donning Summit uniforms for the last time were Dick Trowbridge, Bruce Hollister, Jeff Daniels, Jim Schilling, and Tom Armstrong. The first two specialized in singles, while the last three were players in the doubles division.

Four aces of last year's squad returned for additional competition this spring. They were Francis King, Pete Payne, John Baker, and Donald Crann. King played exceptional tennis last year, winning seven of his nine matches. Payne and Baker formed a smooth operating doubles combination, while Crann was equally successful playing with Daniels.

Coach McNeely has good reason to look with high hopes to the future, and undoubtedly his eye is on conference championships.

Summit High School fans had no complaints to voice about their baseball team last spring. The team outscored their opponent in twelve of their sixteen games, was the Suburban Conference winner, and participated in the Greater Newark Tournament. Despite the fact that they lost their first game in this tourney to Nutley, the squad was still the pride and joy of Summit rooters.

A tight defense and fine pitching were the outstanding factors in the team's success. Pitchers Chet Cornog, Dave Moroney, and Guy Grasso kept the opposing batters from murdering the ball, and a well coordinated infield of Mike Madonna, Joe Dasti, Fred Swick, and Tony Campano fielded cleanly what balls were hit. As very few hitters were ever able to hit the ball into the outfield, fly chasers Howie Taylor and Don Culbertson had a compartively easy job. On three occasions the opposition was held hitless. Cornog did the job twice, while Grasso contributed the third no-hitter.

Summit's offensive drive was sparked by the timely hitting of Moroney. He led the team in batting, edging out Dasti by a few points for the crown.

Who is it that keeps the fans yelling? Who keeps the team rolling along? The answer to these questions is—those ten competent, vivacious cheerleaders who proudly represent S.H.S. in every interscholastic athletic contest. Without these gals success would have been impossible for our teams. Not only are these girls peppy, but they are also courageous. Their bravery was shown in the darkness of the Seton Hall Gymnasium, where the lights were off for 22 minutes. They led the crowd in songs and cheers, thereby calming the spectators, who might well have been panic-stricken otherwise.

Captaining the squad is Jeanne Flagler, with the able assistance of "Coach" Lukens. In order to become a member of the team, a girl must go through the elimination process. This nerve-wracking procedure comes each spring when all sophomores and junior aspirants display their technique of cheering know-how. Although more than forty girls try out, only six of them are chosen by a board of judges, consisting of the cheerleaders and the faculty. These six capable girls, together with four other seniors chosen the previous year, then carry on the proud tradition of the S.H.S. cheerleaders, a team that can never be beaten!

The girls of Summit High School enthusiastically participated in the two major sports this year, hockey and basketball. A total of ninety-six girls went out for hockey, and one hundred and twenty for basketball. They were ably directed by Miss Grace E. Jones, Miss Sally Lawson, and Miss Natalie Howard. Chatham, Madison, and Millburn were the rivals in these two interscholastic sports. The girls played Chatham and Madison in hockey, and Chatham and Millburn in basketball. The seniors lost both of their hockey games, and the juniors won one and tied the other. The sophomores had two teams and played four games, resulting in three games lost and one won. In basketball both seniors and juniors lost one game and won one. The sophomores had a very triumphant season, winning all four of their games by large margins.

In intramural sports, softball, volleyball, archery, table tennis, and badminton were scheduled for the girls.

First night jitters

An unidentified student stumbled through the Elm Street entrance at 8:29 on Sept. 11th. He stopped. Where was he to go? He shoved his way to a posted home room listing. Hmm. There it is, 209. Why, that's in the Jr. High! Let's see —the 200's were upstairs.

He dashed upstairs and down the Jr. High corridor. Now, just around this——. Huh? Two more halls! Try this one. Oops! Dead end. Panic took hold of his lost soul. Something's screwy around here! Is this Summit High School?

Yes, friend, it is Summit High. But it's rather different this year, don't you think? You see, we've undergone a rather complex face lifting. A change of countenance? Yes. But a change of heart? Never!

Life in school goes on as always. Perhaps nerves are a little less strained with classes not so crowded and with plenty of time to relax; but so much the better. Life out of school? Nothing but time can change that.

Just what made life so peculiar around SHS this year?

Here's the scrapbook of our Hilltoppers at large:

Following the murder of Herr Jagendorf in G & D's production of **Incognito** most of the audience tried to pin the crime on the butler. Unfortunately there was no butler in the script. The killer turned out to be an English spy disguised as a German agent masquerading as a U. S. pleasure boat skipper. Huh?

Jo-Jo Kenney highlighted the fall football season with a 90 yard TD run on the opening kick-off at Madison. Final score: Summit—26, Madsion—18. Go, Joe, go!

Old copies of the World Atlas were dusted off as Korea took hold of the daily headlines. Boys became concerned as futures became uncertain. Is this what education is for—to fight? Few answers were convincing.

The Student Council and the newly-formed Cafeteria Advisory Committee were flooded with requests that cafeteria menus be posted a day early. After months of debate and weeks of planning the menus for the next day were posted outside the cafeteria office. Average number of daily consultants of the menu: 7.

Right after winter vacation Mrs. Davis received three essays entitled, "My Favorite Road: Gothaels Bridge."

A humorous sight greeted students in March as teachers began cramming for first aid exams. There was a rumor that several of the math department had to stay after class for "extra help." Miss Jones, who taught the classes, said she detected numerous cases of apple polishing before the first quiz. The only real problem arose when she called for volunteers for an artificial respiration demonstration. "We must

Summit High was at its best in its attendance at the basketball tournament games held at Seton Hall and the Elizabeth Armory. The spirit shown at these games by both the team and the kids demonstrated an enthusiasm which stands unsurpassed. We all felt the thrill of good basketball.

With the advent of the New York basketball scandals and the Senate Crime Investigation Committee hearings local bookie agencies had to go underground. The most popular method for laving bets on school games was practiced at the sandwich and ice cream counters in the cafeteria. By

THANKS . . .

The Top Staff would like to take this opportunity to thank the advertisers for their fine support. Without them this record of our senior year would be impossible.

Truly, this is America

the village church...the white picket fence...the broad highways which lead to great cities . . . above all, the homes which breed good citizens.

AMERICA'S strength is bred in her homes. In thousands of towns and cities, where modest bungalow stands proudly alongside a local showplace, where the well-kept lawn of one merges with its neighbor...here, the roots of good citizenship are deeply planted.

Here, too, strong bodies and good minds are built.

Because it is so American to want the finest, they will get it. In medicine, for instance, American hospitals, American practitioners are the envy of the world. In quiet towns or teeming cities, the skilled hands of healing go about their work of keeping America well.

To the science of Medicine the physician brings his own individual art of healing, for just as no two people are exactly alike, so no two cases of illness are identical.

Thus, the physician must be free and unhampered, so that he may combine the *science* of Medicine, which is for humanity, with the *art* of healing, which is for the individual patient.

At Ciba, in a quiet community of broad streets and pleasant lawns, we produce many of the fine pharmaceuticals used by the medical profession. In modern laboratories, Ciba medical scientists pursue their search for yet newer aids to physicians in their treatment of disease. This, too, is the American way.

CIBA PHARMACEUTICAL PRODUCTS, INC., SUMMIT, NEW JERSEY

Betty Lynn

Since I can't think of anything
original to write, I'll just (as if
you needed it) wish you the best of luck (as if
you needed it) in your coming
years.

Allen

Good luck to a really
swell guy & a brain.
School. Have fun this
summer. See you next year.
